

# Elmire (Kate) Wig

Totally open too a hairstyle that has more hair down

Do not want something this tall, but I love the hair jewelry. She is in maroons/golds.

# Orgon (AJ) Wig & Mustache

This is the main inspo image. Something curly, big, could fit in the larger time period.

I'm not sure I want to go full gray for him, but like this look. Maybe a mix of this and the long brown?

I like this as a shorter option. Something to play with maybe

Mustache inspo

# Valere (Ethan) Wig

Main inspo

I like the idea of the curly fringe

Im open to something sleeker, or something with core curl
